Re: Application of American Transmission Company LLC, as
an Electric Public Utility, for a Certificate of Public
Convenience and Necessity to Construct a New 138 kV
Transmission Line from the Howards Grove Substation to
the Erdman Substation located in Sheboygan County,
Wisconsin

137-CE-195

To the Person Addressed:

Enclosed is a copy of the complete application filed with the Public Service Commission (Commission) by American Transmission Company LLC (applicant). The application seeks authority to construct a new transmission line to be located in your area. Pursuant to Wis. Stat. § 196.491(3)(a) and Wis. Admin. Code § PSC 111.51(4), the Commission has directed the applicant to send an electronic copy of the application to the clerk of each municipality, town, and county in which the facilities are to be located, and to the main public library and local libraries in the project area. Please place this copy, along with a printed copy of this letter, in an area where it will be available for public review until September 18, 2021.

Additional correspondence will also be mailed to you, other interested parties, and all landowners potentially affected by the project. These mailings will list your office as a location where the public may review the project application.

All documents relating to the project may be viewed through the Electronic Records Filing system available at the Commission's website, <http://psc.wi.gov>. The docket number listed above, 137-CE-195, can be used to access the documents.

If you have questions regarding this letter, please contact me at (608) 267-8967 or William.Taylor@wisconsin.gov.

Sincerely,

/s/ William A Taylor
